New Chair working on it so registration and volunteers can sign up. New Flyers are being updated to have the hotel phone number and the AA discount code for the conference. Hotel is a bit confused so we have to wait to make our hotel personal room reservations. Awaiting that and it will be distributed asap. New York Preconference workshops are going on this week. Go on zoom.

Alt. DCM's Report: (Mary R.) Had the door locked upon our arrival, but possibly was due to time change and lock was not updated. Anxious for the new flyers for the Conference and when you get it, please post and distribute to your meetings.

Open Forum: Michael L. stated that we do have some extra monies available to "get something going" in the District. A special event, donuts and/or pizza for police or professional community, literature for hospitals, police stations, somewhere. We need to spend the money somewhere in our District from our District. *Take it back to the groups how we could get some service opportunities to spend the money.* We also have Pink Can monies that will be utilized for the jails as they are open again*.
